### **Committee Discussions:**

The Website ([pershirebowlingassociation.co.uk](http://pershirebowlingassociation.co.uk)) - steps will be taken to develop and improve its functionality. Willie Donaldson and Gary Turpie have expressed an interest in its development.

The AGM – Having taken advice on holding this event under Covid-19 conditions, the Committee felt they were unable to guarantee the safety of people attending and therefore took the unanimous decision to cancel the Annual General Meeting normally held in November.

The current Office Bearers and Committee Members volunteered to continue to run the business of the PBA until a suitable time for an AGM became apparent. In the meantime I will send additional news by email as and when appropriate.

Kind regards

**Ray**
