

Dear Club Secretary

A short note to let you know that the Management Committee has released its new website. If you find errors please let me know and I will correct them as soon as possible, In the meantime I hope you will find it useful and informative. <http://www.perthshirebowlingassociation.co.uk>

Could I ask that you also check I have your current Secretary name, email, and club website address correct, and again let me know any errors. It can be found under **Clubs and Events/List of members**.

I would draw your attention to the item of the draft PBA Constitution which has been updated where necessary and can be found under **About Us/ Proposed Constitution**. The Constitution requires approval at an EGM/AGM, which is unlikely to be held in the near future due to Covid-19 restrictions.

However, if you have any comments on the draft PBA Constitution or any other parts of the website please let me know. It has taken a while to design and develop this website and I'm sure we can add your good ideas to it as time passes. My thanks to those that have contributed help, advice, and sponsorship in completing the website.

One area that is in short supply is that of photographs, especially of the 2019 PBA Championship Finals, The Andrew Hamilton Trophy, and the North Section Seniors. The blank spaces so to speak can be found at **Photo Archives/PBA finals/AHT/Seniors**.

I have added a few photographs within **Photo Archives/Historical photos** and I can always add more to any section if anyone has them in .jpeg form.

I expect you will have recently received a note from Bowls Scotland concerning Covid-19 Grants from the Government Strategic Business Framework Fund which should come automatically to those that applied in the past. Bowling Clubs that have not yet applied for these funds should submit an application as soon as possible through their local authority website. Bowls Scotland suggests more information can be found at <https://www.gov.scot/publications/coronavirus-covid-19-strategic-framework-business-fund/>

I have also added a link to the website **Home page** for [Community Grants](#) and these details are usually updated monthly by Perth and Kinross.

Finally, could I wish you and your Club a better year than the last, and I do hope we can enjoy our bowls again soon. We are not sure at this early stage if we are to have Competitive bowling this season, but we are reviewing the matter and I will write again once there is more information.

Please do keep safe whilst the vaccine is administered over the next few months.

Kind Regards

Ray
