

## **Perthshire Bowling Association**

### **Minutes of the Extraordinary General Meeting**

**Sunday 21<sup>st</sup> November at 2pm Perth West End BC**

#### **Amendments to the Association Constitution Paper PBA 1**

The President opened the meeting with a minutes silence for all Bowlers that had passed away since the last AGM in November 2019.

The General Secretary introduced the proposed amendments to the Constitution. He stated the old and new Constitutions had been placed on the website in January of this year and that all Clubs had been asked for comment. No adverse comments had been received. He particularly cited amendments 2 and 4 concerning Policies of Child Welfare and Disciplinary Procedures and advocated that members should check to see if their own Constitutions followed Bowls Scotland in these respects.

After discussion the General Secretary proposed on behalf of the Management Committee and seconded by the President that items 1 to 12 inclusive should be adopted. The proposal was carried unanimously with no further alterations.

Accordingly the Constitution would be updated on the website and the old Constitution would be removed.
