Ref: Club Colours & Crests

Dear Secretary,

Firstly, I can confirm I have received all entrants for the PBA County Championships for 2022. I'd like to thank all clubs for submitting their forms back to me as quick as you did. This allows the PBA committee to complete the draws for the beginning of the season. The official draws will be distributed in due course.

For the PBA County Championships this year, the committee have asked me to collate every club's registered colours. This is to ensure that teams representing the club are dressed appropriately, especially in team events where they should all match (i.e. Pairs, Triples, Fours etc).

Could you please confirm:

- Your clubs registered colour for tops
- Colour for trousers (black or grey, cannot be both)

Also, if your club has a digital file or your club crest, could you please email this to me? This will be any promotional material for PBA tournaments.

Could you please send this information to me by 30th April 2022?

Yours sincerely,

S. Myles
